Wedding Packages

I have tried to design a variety of wedding package to meet a wide range of needs.

That being said, if you don't see exactly what you're looking for I would love to build a package just for you.

All wedding packages now include a low resolution CD of all your wedding and engagement photos.

All weddings will also include an online preview of up to 10 images posted on the Crescent Moon Photography blog and Facebook page within 48 hours of the wedding and a password protected online proof gallery uploaded within 90 days.

No weddings will be booked between March 1 and July 1 2012 as I will be home with my new baby.
